I, Brennan C. Long, being first duly sworn on oath, say

I am the adult son of Richard Long, a Canadian pilot who perished in a helicopter crash on September 26, 2005. My father was a helicopter pilot and he worked with Bel Aire Helicopter in Abbotsford, B.C. at the time of his death. (Attachment 1). I make this affidavit based on my personal knowledge, my recollection of our activities shortly before my father's death, and I am aided by the financial records and receipts my mother kept which I have reviewed.

I have learned that a man named Henry Rosenau said that my father flew a helicopter, a Robinson 44 CFRKM, on the morning of September 21, 2005. I have learned that Henry Rosenau said that my father leased that helicopter from Mr. Rosneau that summer, that my father paid him \$20,000 cash, and that my father was returning the helicopter to him on the morning of September 21, 2005, around 9:00 a.m. This is not true. My father did not lease a helicopter from Henry Rosenau that summer, he did not pay Mr. Rosenau \$20,000 in cash, and he was not flying a helicopter on the morning of September 21, 2005. My father, Richard Long, did not possess the helicopter Robinson 44 CFRKM in the weeks leading up to his death.

During the several weeks preceding my father's death, I was helping my father build a home site at 68451 Othello Road, in Hope, British Columbia, Canada. My parents owned the property and my father and I were building out the site for a residential trailer. They were going to live there and operate a rock quarry on the site.

In the days before my father's death, we were in the process of installing a well pump on the site. My mother has kept the records of our expenses on the property and I have reviewed the receipts for Wednesday, September 21, 2005, and I recall the day we bought the supplies noted.

1 As I often did during this time, I drove to my father's home in Abbotsford, British
2 Columbia, arriving around 7:30 a.m. We usually drove in my father's black Ford 350 truck to
3 get supplies and go to the work site. I know that we drove his truck that day because we went
4 shopping for plumbing supplies. I know that because my mother has pulled the receipts from
5 September 21, 2005 and this conforms to my memory of what we were doing in the week before
6 my father's accident. The receipts are signed and dated by my mother. At some stores, my father
7 received a contractor's discount through Bel Aire Helicopters.

8 From the receipts, I see that we first went to the Rona Hardware Store, 45656 Yale Road,
9 Chilliwack. We checked out at 9:26 a.m., having bought wire for \$45.25. (Attachment 2; left
10 column). We also went to the Southern Drip Irrigation store which is down the Yale Road, a
11 few minutes away. We made two purchases there, one at 9:31 a.m. and another at 10:24 a.m.
12 (Attachments 3 & 4).

13 Bartle and Gibson is a nearby Plumbing store at which we made a purchase that day, and
14 then made a partial return that same day. (Attachments 5 & 6). I don't know what time we made
15 the return at Bartle and Gibson that day. The Chilliwack stores, Rona Hardware, Southern Drip
16 Irrigation and Bartle and Gibson, are close to each other and are all located on a stretch of the
17 Yale Road in Chilliwack, British Columbia.

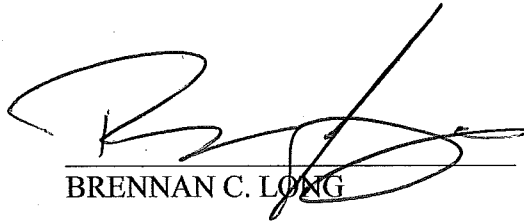

18 We had to buy additional plumbing supplies that afternoon. We have a 2:11 p.m. receipt
19 for several plumbing items (Attachment 7 which reads Time: 14:11:56) and another receipt for
20 just one item at 2:19 p.m. These are both from Rona Hardward but this Rona Hardware Store is
21 in Hope, nearer the property, and is not the same one as the morning purchases. (Attachment 2,
22 right column). These receipts show that my father and I were working on plumbing on
23 September 21, 2005.

24 My father and I were doing the work on the property ourselves and one reason is that he
25 could not afford to hire others to do it. My father did not have significant amounts of money in
26 2005 and certainly did not have \$20,000 in cash. I remember that, during this time, he had to
27 borrow money from my grandfather (his father) to purchase a drill for the rock quarry.

28 Chilliwack is about 45 miles away from Hope, B.C. On the morning of September 21,

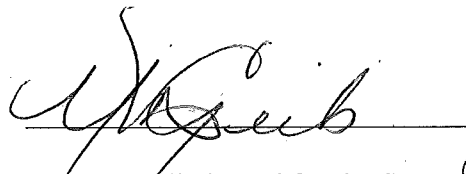

1 2005, between 9:30 a.m. and 11:00 a.m., my father and I were together in Chilliwack buying
2 supplies for our work that day. He was not flying a helicopter full across the United States-
3 Canadian border.
